

Zebra General Purpose Scanners

Data capture for every worker and environment

Jobs may differ, but workers' needs remain the same: split-second, fail-proof, error-proof scanning. Give them the scanners made to increase productivity, no matter what their environment or challenge.

DS2200 Series Handheld 1D/2D Scanner

Affordability and simplicity delivered

The benefits of 2D imaging at an outstanding value with minimal investment

Features

- Corded and cordless models
- Attractive price point
- Backwards compatible with LS2208 cables

Portfolio Differentiators

- First time, every time scanning on essential 1D and 2D barcodes
- Flexible charging options with presentation cradle or micro USB cable (DS2278)
- Patent pending aim line helps transition users from 1D to 2D

DS4600 Series Handheld 1D/2D Scanner

Do more throughout your store

The versatility and scanning performance needed to keep both traditional and SCO lanes flowing smoothly

Features

- Corded model
- A model for every need in your store

Portfolio Differentiators

- Class-leading decode performance
- Industry-leading working range
- Multi-Code Data Formatting and Intelligent Document Capture

DS8100 Series Handheld 1D/2D Scanner

Experience the ultimate handheld in scanning

Ideal for retailers willing to invest in increasing transactions per shift and reducing customers wait time

Features

- Corded and cordless models
- Choice of desktop or presentation cradle (DS8178)
- Supports Digimarc™ to speed checkout

Portfolio Differentiators

- Unprecedented performance instantly captures even the most problematic barcodes
- Exclusive dedicated on-demand power gauge (DS8178)
- PowerPrecision+ battery provides visibility into battery health (DS8178)
- Interchangeable power sources can be swapped at any time (DS8178)
- Multi-Code Data Formatting, Intelligent Document Capture and advanced features like ScanSpeed Analytics

DS9900 Series Hybrid Handheld/Hands-Free 1D/2D Scanner

One-of-a-kind hybrid design

Maximum flexibility and superior comfort, designed to boost productivity at the POS

Features

- Hybrid design offers handheld and hands-free flexibility
- Supports Digimarc™ to speed checkout
- Elevated electronics protects the device from casual spills

Portfolio Differentiators

- Unprecedented performance instantly captures problematic barcodes
- High performance swipe capability with rapid-fire 240-inch/second swipe speed
- Patent-pending capacitive touch and motion sensors instantly switch to handheld mode when scanner is picked up
- Multi-Code Data Formatting, Intelligent Document Capture and advanced features like ScanSpeed Analytics
- Optional RFID model for reading RFID tags on apparel and fine jewelry

DS9300 Series Hands-Free 1D/2D Scanner

The little presentation scanner with big functionality

Offers a fit-anywhere form factor coupled with stylish aesthetics

Features

- Designed for hands-free scanning but can be handheld
- Compact form factor ideal for limited real-estate at the checkout counter

Portfolio Differentiators

- Instantly captures problematic barcodes
- High-performance rapid-fire 120-inch/second swipe speed
- Supports Digimarc™ to speed checkout (Optional)
- Elevated electronics protects the device from casual spills
- Multi-Code Data Formatting, Intelligent Document Capture and advanced features like ScanSpeed Analytics

CS4070 Companion 1D/2D Scanner

Pocket-size scanning

An affordable companion scanner designed for mobile applications that require a pocketable form factor

Features

- Cordless, pocket-sized form factor for wearable convenience
- Comfortable no-fatigue scanning

Portfolio Differentiators

- Six programmable keys designed to handle over a million scans/button presses
- Easy pairing to iOS, Android and Windows tablets and smartphones
- Real-time and batch mode support captures data whether online or offline

Zebra Healthcare Scanners

Zebra's advanced healthcare scanners help redefine patient care

In healthcare, there's no room for error. Zebra's scanners simplify caregivers' interactions with their patients. Scanning applications, though routine in nature to the caregivers, help prevent medical errors, improve patient safety and increase productivity. With imaging technology automating many of the caregivers' administrative requirements, caregivers can focus on the needs of the patient.

DS4600 Series for Healthcare 1D/2D Scanner

Scanning versatility for the whole hospital

A versatile healthcare scanner that does more for the whole hospital

Features

- Corded model
- Disinfectant-ready housing can handle regular sanitizing

Portfolio Differentiators

- Unprecedented performance reads tiny, reflective, and curved barcodes on medicine vials, IV bags, syringes, specimen slides and more
- Night mode avoids disturbing patients
- Green LED aimer avoids triggering PTSD episodes and is safe for use everywhere in the hospital

DS9900 Series Hybrid 1D/2D Scanner for Labs

Built for life in the lab

Improve workflow efficiency and accuracy with the hybrid presentation imager built for the lab

Features

- Hybrid design offers handheld and hands-free flexibility
- Elevated electronics protects the device from casual spills

Portfolio Differentiators

- Reads the many types barcodes found in the lab, including small, high density barcodes and color-coded specimen trays or biopsy cassettes
- High performance swipe capability with rapid-fire 240-inch/second swipe speed
- Read securPharm labels used to protect patients from receiving counterfeit medications
- Optional RFID model for reading RFID tags on blood bags

DS8100 Series for Healthcare 1D/2D Scanner

Improve caregiving

Seamlessly integrate into existing workflows

Features

- Corded and cordless models

Portfolio Differentiators

- Unprecedented performance reads tiny, reflective, and curved barcodes on medicine vials, IV bags, syringes, specimen slides and more
- Housing devoid of speaker holes, exposed screws, and overmold is easy to clean
- Disinfectant-ready housing supports the widest range of disinfectants for use throughout all your facilities
- Night mode avoids disturbing patients
- Green LED aimer avoids triggering PTSD episodes and is safe for use everywhere in the hospital
- Power sources can be swapped any time (DS8178-HC)
- Power gauge indicates when scanner needs to be charged or replaced (DS8178-HC)

Specialty Scanners

Scanners that know your business

Our product design teams work alongside customers like you, observing how they use scanners in warehouses, retail stores and manufacturing plants. From our rich insights, we designed scanners built to elevate your performance.

3600 Series Ultra-Rugged Scanner

Be unstoppable with relentless performance

Takes a beating and still scans faster and farther

Features

- Corded and cordless models
- Multiple data capture models: standard range, high density, DPM, extended range, and more

Portfolio Differentiators

- Instantly captures problematic barcodes
- Highest drop and tumble specifications
- Dust proof, spray proof, waterproof, IP65 & IP67 sealing
- Built to withstand extreme heat, cold, and humidity
- PowerPrecision+ provides visibility into battery health (cordless only)
- Exclusive dedicated on-demand battery gauge (cordless only)

DS457 Fixed Mount 1D/2D Scanner

High-volume, hands-free scanning

Fast, scanning from the retail POS and airport boarding gate to the manufacturing production line

Features

- Designed for small spaces with a near zero footprint
- Can be used as a standalone scanner or integrated into the most space-constrained self-service kiosks
- Four data capture models: standard range, high density, driver's license parsing, direct part marks

Portfolio Differentiators

- Fast response sensor shutter speed
- Unique aiming pattern: Bright central dot ensures quick, accurate scanning — even in bright sunlight

MP7000 Multi-Plane 1D/2D Scanner

Unsurpassed checkout experience in the busiest stores

Bust lines with next-generation POS scanning, color camera imaging and live video

Features

- Digimarc™ barcode support
- Image capture capability captures images of checks, receipts, utility bills and more
- Designed to easily fit into your existing cash wrap
- Optional integrated scale and customer side scanner

Portfolio Differentiators

- Easy to deploy and service, designed with fewer components and parts
- Lowest power consumption in the industry
- Superior durability, maximum uptime and industry-best TCO
- Optional 2.3 MP color camera supports innovative applications, e.g. ticket switching and produce recognition

DS7708 Single-Plane 1D/2D Scanner

Swipe-and-go scanning simplicity

Ideal for medium to high-volume traditional or self-checkout POS lanes

Features

- Fixed hands-free scanner for on-counter applications
- Standard USB port for auxiliary scanner

Portfolio Differentiators

- High first-pass read rate
- Recessed window protected against marks and scratches
- Largest field of view in its class for scanning
- Power over USB – no additional power needed
- Elevated electronics protects from casual spills
